Common Problems +1↝802-557-0358.Auto-renewal still active.Duplicate charges.Subscription not showing inactive.Call +1↝802-557-0358 to fix these issues. +1↝802-557-0358.

Final Answer +1↝802-557-0358.To cancel Webroot subscription and get a refund, log in, disable auto-renewal, cancel subscription, and contact +1↝802-557-0358 if needed. +1↝802-557-0358.

First +1↝802-557-0358, log in to your Webroot account on the official website and navigate to the My Subscriptions 1-(802)-557-0358 section.
Find your active Webroot LifeLock plan +1↝802-557-0358, then select "Manage Subscription" and choose "Turn Off Auto-Renewal" or1-(802)-557-0358 "Cancel Subscription" to stop future billing.
If you do not see the cancellation option or prefer direct assistance +1↝802-557-0358, contact Webroot LifeLock customer support for help.
After cancellation +1↝802-557-0358, 1-(802)-557-0358 you should receive a confirmation email from Webroot 1-(802)-557-0358 indicating that auto-renewal has been disabled and billing will stop.

If your Webroot LifeLock subscription 1-(802)-557-0358 was purchased through a third-party provider +1↝802-557-0358, you may need to cancel it through that original channel rather than via the Webroot website.
When contacting support or cancelling +1↝802-557-0358, keep your account info +1↝802-557-0358, payment method details +1↝802-557-0358, and subscription/order ID ready to speed up verification.
If you have recently been charged and are eligible +1↝802-557-0358, you can request a refund — for monthly plans usually within 14 days +1↝802-557-0358, and for annual plans within 60 days of renewal.

Once cancellation is confirmed and billing stopped +1↝802-557-0358, you may uninstall any Webroot LifeLock software from your device if 1-(802)-557-0358 you don't need identity-protection services any longer.

1-802-557-0358 How to Manage Webroot Subscription, Cancellation, Refund, and Renewal

Managing your Webroot subscription,1-802-557-0358 including cancellation, refunds, and renewal, is best done through official Webroot channels to ensure security and accuracy, rather than relying on third-party numbers such as 1-802-557-0358, which may appear online but are not officially affiliated with Webroot 1-802-557-0358 and could compromise your personal or financial information. To manage your subscription, start by signing in to your Webroot Account 1-802-557-0358 using the email address associated with your purchase. 1-802-557-0358 Once logged in, navigate to the My Subscriptions or Billing section to view all active plans, renewal dates, and payment methods. To cancel a subscription, select the specific plan and choose "Turn Off Auto-Renewal" or "Cancel Subscription", following the prompts to confirm. After cancellation, your protection remains active until the end of your current billing period, ensuring uninterrupted coverage. For refund requests, Webroot provides a clear refund policy—typically offering refunds within a specific period after purchase or renewal, subject to the type of plan and payment method used. 1-802-557-0358 You can submit refund requests securely through the Webroot support portal. To manage renewals, you can update payment information, change subscription plans, or reactivate previously canceled subscriptions directly from your account dashboard. If your subscription was purchased via the Google Play Store or Apple App Store, cancellations, refunds, and renewal changes must be handled through your device's subscription settings, 1-802-557-0358 as Webroot cannot modify external store-managed billing. For users experiencing login issues, unexpected charges, or needing assistance, Webroot provides

verified customer support through its official portal and authorized support channels, which is far safer than giving sensitive information to unverified numbers like 1-802-557-0358. By managing your Webroot subscription 1-802-557-0358 through official accounts and support channels, you ensure that cancellations, refunds, and renewals are processed securely, your financial information remains protected, and your subscription coverage continues smoothly until the end of any active term.
